NASCSA RESOLUTION 2001-05

October 2001

Scottsdale, Arizona

WHEREAS, NASCSA, among other agencies, has a responsibility in addressing controlled substance abuse issues,

WHEREAS, scientific resolution of these issues is available to the pharmaceutical industry by developing or reformulating drug products to lessen abuse and diversion,

THEREFORE BE IT RESOLVED, NASCA support the collaborative efforts of FDA and those pharmaceutical companies in reformulating drug products to lessen diversion of these products, including but not limited to reduced time to finalize approval of new formulations.
